1 **AN ACT relating to:** the Northern Great Lakes Regional Visitor Center.

Analysis by the Legislative Reference Bureau

Under the bill, if the federal government approves federal funding for a Northern Great Lakes Regional Visitor Center, the building commission may commence planning activities with respect to the center and shall submit proposed legislation to the joint committee on finance. The bill requires that this proposed legislation amend the state building program to enumerate the Northern Great Lakes Regional Visitor Center as a state building project, to be funded with 4,100,000 in general fund supported borrowing and with \$4,100,000 in federal funding. The bill also requires this proposed legislation to authorize the state to contract up to \$4,100,000 in public debt for the center.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
